

Summer Math ~ IXL

7th Grade

IXL is a comprehensive, standards-aligned math practice program offering unlimited problems in thousands of skills. One of the best things about IXL is that you may use it from school and from home!

Before you start, be sure to sign into your IXL account! Enter your username and password on this page and click "Sign in." You have been given your username and password from your math teacher.

Rogich has assigned lessons for you to practice during the summer. These lessons are required to be completed with a minimum smart score of 90. You must show all work in a composition notebook for credit to be given at the beginning of the school year. Each IXL lesson must have work shown in your composition notebook, numbering each problem, and titling the work with the name of the IXL lesson. For example: 6 – R.7.

The following IXL assignments are required to be completed *after* June 6. Some of the lessons will have already been completed, but the completion date must correlate with June 6 – Aug. 13, 2017. If your teacher has already assigned the summer homework, you must still complete the lesson and ensure that you have a smart score of 90 or greater.

IXL - Practice and excel!

Lessons~

6 – B.2	6 – F.8	6 – O.10
6 – B.8	6 – I.6	6 – O.11
6 – C.1	6 – J.3	6 – R.11
6 – C.5	6 – J.6	6 – S.1
6 – C.6	6 – K.6	6 – Z.6
6 – E.6	6 – K.10	6 – HH.3
6 – E.7	6 – K.11	
6 – E.8	6 – L.5	
6 – E.9	6 – L.7	
6 – F.5	6 – O.6	
6 – F.7	6 – O.9
